To Whom It May Concern:

Every year, the Canyons Community Schools engage with community partners to support the needs of our families for the holiday season. Due to the challenges of COVID-19, including limiting social gatherings and physical distancing, unfortunately we are limited in what we can collect and provide to families. Although we are disappointed that we are not able to bring community partners and families together this year for our typical holiday support, we also want to ensure that we are contributing to keeping families and the communities as safe as possible.

Based on these barriers, we are approaching our holiday season support differently this year. **We are asking the community for monetary donations or in-kind donations in the form of gift cards and other most requested items.** These donations will be collected and then distributed to families in need at Copperview Elementary, East Midvale Elementary, Midvale Elementary, Midvalley Elementary, Sandy Elementary, Midvale Middle School, Union Middle School, Mt. Jordan Middle School, Hillcrest High and Diamond Ridge High. All donations are tax-deductible and a contribution form will be provided at your request. We would like to receive donations by **Dec. 10th, 2021** so that we can process and provide to families prior to the holidays. Our goal is to provide support for 850 students within approximately 300 families.

In- Kind donations can be made through Sign Up Genius

Monetary donations can be made through Success Fund

The Canyons Education Foundation is a 501(c)(3) and should your company require, the Canyons Education Foundation's Federal Tax ID Number is 45-2603900.

Thank you for any consideration you would give to supporting our students and families. Every dollar you donate will go directly to those who need it most. Questions? Please contact Michele Vogeler, Community School Specialist via email at michele.vogeler@canyonsdistrict.org or by phone at 801-826-5023.

Happy Holidays,
